

## ONELAN Digital Signage Bundle

In a time of unprecedented change and where individual government guidelines are being constantly updated, ONELAN is offering new and existing customers a quick and easy solution to deploy digital messaging and streamlined communications, to keep customers and businesses safe and informed as the world starts to reopen its doors.

Applications which may benefit from simple, clear, and dynamic messaging include:

- Bars
- Hotels
- Restaurants
- Business reception desks
- Hair salons
- Shops
- Schools and Colleges
- Public spaces

### What is included in the bundle?

#### **ONELAN NTB Signage Player NTB-HDN-1F-0**

A four zone media player with a pre-installed Ad-Hoc licence to easily edit your content

#### **Built-in Player Management Software**

Create, schedule, manage your signage from our browser-based Player Management Software

#### **Free COVID-19 Signage Layout**

Ready-to-go content with customisable features promoting best practises to stay safe from COVID-19

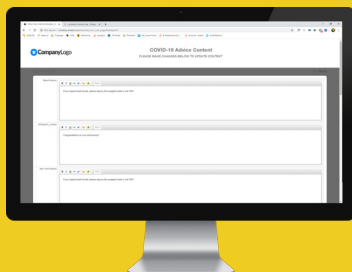

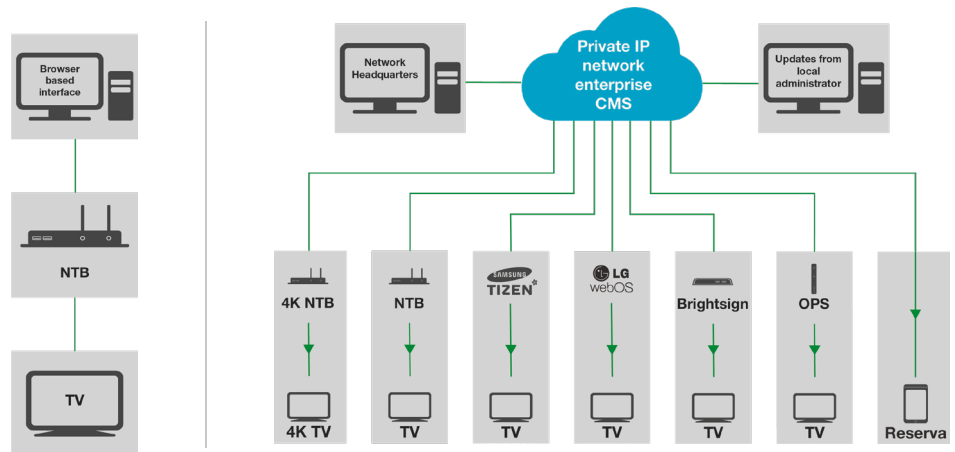

To take advantage of this offer, please contact your account manager or email us at [enquiries@interactivsolutions.co.uk](mailto:enquiries@interactivsolutions.co.uk)

## NTB-HDN-1F-0 Signage Player

- Available as Subscriber or using a CMS Player Licence
- Supports resolutions upto (FHD) 1920 x 1080 at 60p
- Active fan cooling
- HD stream-in, dual band Wi-Fi and touch options
- Intel Celeron processor Video, HTML5, images, text and audio

The single player can be used as standalone for an independent business or can be managed through the ONELAN CMS for larger roll outs. This simple and cost-effective solution from ONELAN helps to ensure you're keeping customers up to date with the latest guidelines - leaving you to focus on the immediate needs of your business.

## Ad-Hoc Content Editing

ONELAN's Ad-Hoc functionality is designed to allow you to quickly update specific zones in a pre-made layout. The Digital Signage Bundle has an Ad-Hoc licence pre-installed to allow you to customise the COVID-19 signage content with your own logo, graphics and text without any technical abilities or training required.
